Sidestrand Area

The North Norfolk village of Sidestrand is situated just inland from the coast and to the east of the famous Edwardian seaside resort of Cromer, which is about 1½ miles. Cromer has excellent shopping, banking and transport facilities, and is of course famous for its sandy beaches. There are also excellent sandy beaches nearby at Overstrand. The area was immortalised as Poppy Land at the end of the 19th century by the author and drama critic Clement Scott following his visit to Overstrand in 1883. The area became immensely fashionable with summer visitors and Scott's poem, The Garden of Sleep, describes the church at Sidestrand, which is opposite the house.

Cromer also has a railway station with regular trains to Norwich, with connecting trains onwards to London Liverpool Street. The picturesque Georgian town of Holt, renowned for its excellent independent shops, is also the home of Gresham's Public School, and is about 10 miles away. Beeston Hall Preparatory School is about 5 miles along the coast near West Runton. There are good schools in the state sector in Cromer, as well as Paston Sixth Form College at North Walsham.
