The property is entered from the spacious garden area into the open plan living/kitchen room. The open area consists of a brand new fully fitted kitchen with all new appliances, the room as been newly decorated and and modernised.

The upstairs area comes with brand new carpets and two bedrooms. The smaller of the two bedrooms is a cosy size which would be idea for a baby or toddler or would equally double up as an office.

The second and bigger of the two bedrooms has again been freshly painted and carpeted and is a good size for a couple or single person.
