The rooms have been painted in soft, chalk white paint and have warm honey-coloured solid oak flooring underfoot and recessed lights above, giving an air of continuity; while the separate niches, old chimney breast and structural beam, allow for the rooms to be zoned creating discrete living areas. The living room has a large bay window while the dining room benefits from french doors leading out to the rear patio garden.

Upstairs are three, double bedrooms, all of which benefit from contemporary, fitted-wardrobes leaving ample space for a double bed, and additional bedroom furniture. The family bathroom has fully tiled walls in a dove-grey colour, with three-piece bath suite and shower over the bath.

To the rear of the property, the Garden has been hard landscaped throughout along with areas for planters and shrubs making it easy to maintain. There is a garage and hard landscaping to the front of the property allowing for off-street parking. The garden can also be accessed via side return

While the property has been fully refurbished throughout, thereby offering anyone looking for a family home to move straight in; it is worth noting that there may be potential to extend or remodel the existing layout or convert the loft. Most of which may be done under permitted development development and thereby adding further value to the property.
