The kitchen has ample worktop space and fitted units, with windows onto the back garden and a door to the side. The large light-filled living room, which is in excess of 22 feet, leads through to a dining room with sliding doors to a patio area and the south-west facing rear garden.

Upstairs are three double bedrooms, all with fitted storage, alongside a family bathroom and separate WC. There is also an airing cupboard on the landing and access to the loft (which benefits from insulation between the joists).
