About the Development

This stunning retirement development of one and two bedroom apartments is in a fantastic, central location, close to all the essential amenities and public transport. Headley Lodge is home to 33 apartments and includes an Owners' Lounge with a built-in coffee bar, creating the perfect location for socialising with like-minded neighbours. The development is within easy reach of the local shops, supermarkets and tourist attractions, so you can enjoy an independent, active retirement.

Social and communal lifestyle

Communal gardens are carefully landscaped, giving you the perfect place to relax and enjoy an afternoon cup of tea, without having to worry about the maintenance and upkeep that a large garden so often demands. The carefully designed Owners' Lounge comes complete with a coffee bar and is a popular feature, providing the perfect venue for entertaining, participating in activities organised by your Lodge Manager, or just relaxing with a book. Events include everything from fish and chip suppers, to tea dances, giving you the chance to socialise as much as you like throughout the year.

Safety and security

The fully furnished Guest Suite provides an ideal space for your family and friends to stay over when visiting, while a lift to all floors is installed for your convenience. This apartment comes complete with a 24 hour emergency Careline system, while a camera entry system is installed as standard, so you can feel safe and secure in your retirement. Intruder alarms and fire alarm systems are fitted throughout the Lodge, while a Lodge Manager is on hand to assist you with anything else you might need.
