EPC Rating: D

Upon entering, a spacious and welcoming hallway provides access to all principal rooms. At the front of the property is the main bedroom—well-proportioned and filled with natural light—situated next to a stylish, recently renovated bathroom. Towards the rear, two further double bedrooms enjoy peaceful garden views, offering flexible space for family living or a home office setup.

The heart of the home is the contemporary kitchen, updated within the last few years and thoughtfully designed with ample storage, workspace, and appliance space. A door from the kitchen opens into a substantial lean-to, over 50 feet in length, providing covered access along the side of the property with doors at both the front and rear.

The impressive triple-aspect living/dining room extends over 20 feet and features French doors leading directly out to the rear garden.

Externally, the home is complemented by attractive front and rear gardens, both well-maintained and offering a sense of privacy and tranquillity. Driveway parking is available for one vehicle, with further potential to expand if desired.

This is a rare opportunity to secure a well-presented bungalow with scope to extend, in a highly regarded part of Ashted, close to local amenities, excellent schools, and transport links.
