Property Description

Detached house on corner plot boasting four double bedrooms, four reception rooms, large driveway with double garage and generous sized plot. This property has everything a family home requires with spacious living. The proportioned accommodation offers generous sized rooms with en suite to master bedroom, downstairs WC, separate utility and double garage.

The property really does provide something special, it will be very difficult for any interested parties to be able to appreciate the extent and layout of the accommodation included by just taking a casual glance at the front elevation, therefore we strongly recommend a full inspection, to be able to see all that is included in this lovely home for themselves. As well as being within easy reach of the local schools which are only a few minutes walk away, it is close to many other amenities and facilities offered by Long Eaton and the surrounding area. It is well presented throughout and has been maintained by the current owners however further décor and design of the property would benefit a new owner to really put their own stamp on things.

It is within easy walking distance of both state and independent schools which include Wilsthorpe School on Derby Road as well as TRENT COLLEGE and THE ELMS. There are Asda and Tesco superstores and many other retail outlets to be found in Long Eaton town center, sports and leisure facilities at the West Park Leisure Centre, where there are also lovely walks in the park and excellent transport links which include J25 of the M1, stations at Long Eaton and East Midlands Parkway, East Midlands Airport, and the A52 and other main roads, all of which provide good access to Nottingham, Derby, and other East Midlands towns and cities.
